

## Lieutenant Governor's Office on Aging State Waiver Form Waiver: W-001

By signing the Lieutenant Governor's Office on Aging's (LGOA's) State Waiver Form, the  
Central Midlands Council of Governments AAA/ADRC

Planning and Service Area

has determined that there is a need within its planning and service area to waive an existing LGOA policy and procedure to better serve the needs of its region.

Older Americans Act (OAA) Section 305(a)(1)(C) authorizes the LGOA to set policies to deliver aging services in South Carolina and states that the LGOA "be primarily responsible for the planning, policy development, administration, coordination, priority setting, and evaluation of all State activities related to the objectives of this Act." The OAA and the South Carolina Code of Laws are the foundation of the aging service delivery system across the State.

In accordance with the OAA, the LGOA has established written policies and procedures to administer aging services and programs in South Carolina. The procedural protocols set by the LGOA to deliver aging services are based on Federal and State Law. However, the LGOA acknowledges that the Planning and Service Area (PSA) could determine that there may be an extenuating circumstance regionally which results in a PSA generating a waiver.

State Waivers, which allow the PSA to operate outside the written policies and procedures of the LGOA, will not be accepted if it is determined that the waiver conflicts with the OAA or South Carolina law. A State Waiver is for up to a one-year period, terminating on June 30<sup>th</sup>. The LGOA reserves the right to invalidate waivers that amend its policies and procedures at any time.

The PSA and its Executive Director assume all legal responsibility and liability for the procedural and operational practices associated with this waiver, and will be held accountable for any consequences that might result from this waiver being enacted. The multiple parties associated with the State Waiver are required to follow all established LGOA policies and procedures for data collection in order to accurately track and record client data. The PSA will be responsible for fulfilling all other areas of LGOA policies and procedures operations not covered by this waiver.

**The LGOA will not reimburse the PSA for unearned funding:** Performance outcome requirements set through contractual agreements in the planning and service area are the legal responsibility of the PSA. The PSA is responsible for ensuring that its service providers/contractors earn their funding in accordance to the OAA and LGOA policies and procedures. If it is determined that funding is not being earned, or that data is not being accurately tracked, the PSA will be expected to execute a thorough review of the service provider's/contractor's operations which could result in a thirty (30) day Corrective Action Plan to bring the multiple parties into OAA and LGOA compliance.
