

Lieutenant Governor's Office on Aging State Waiver Form Waiver: W-001

By signing the Lieutenant Governor's Office on Aging's (LGOA's) State Waiver Form, the
Santee Lynches

Planning and Service Area

has determined that there is a need within its planning and service area to waive an existing LGOA policy and procedure to better serve the needs of its region.

Older Americans Act (OAA) Section 305(a)(1)(C) authorizes the LGOA to set policies to deliver aging services in South Carolina and states that the LGOA "be primarily responsible for the planning, policy development, administration, coordination, priority setting, and evaluation of all State activities related to the objectives of this Act." The OAA and the South Carolina Code of Laws are the foundation of the aging service delivery system across the State.

In accordance with the OAA, the LGOA has established written policies and procedures to administer aging services and programs in South Carolina. The procedural protocols set by the LGOA to deliver aging services are based on Federal and State Law. However, the LGOA acknowledges that the Planning and Service Area (PSA) could determine that there may be an extenuating circumstance regionally which results in a PSA generating a waiver.

State Waivers, which allow the PSA to operate outside the written policies and procedures of the LGOA, will not be accepted if it is determined that the waiver conflicts with the OAA or South Carolina law. A State Waiver is for up to a one-year period, terminating on June 30th. The LGOA reserves the right to invalidate waivers that amend its policies and procedures at any time.

The PSA and its Executive Director assume all legal responsibility and liability for the procedural and operational practices associated with this waiver, and will be held accountable for any consequences that might result from this waiver being enacted. The multiple parties associated with the State Waiver are required to follow all established LGOA policies and procedures for data collection in order to accurately track and record client data. The PSA will be responsible for fulfilling all other areas of LGOA policies and procedures operations not covered by this waiver.

The LGOA will not reimburse the PSA for unearned funding: Performance outcome requirements set through contractual agreements in the planning and service area are the legal responsibility of the PSA. The PSA is responsible for ensuring that its service providers/contractors earn their funding in accordance to the OAA and LGOA policies and procedures. If it is determined that funding is not being earned, or that data is not being accurately tracked, the PSA will be expected to execute a thorough review of the service provider's/contractor's operations which could result in a thirty (30) day Corrective Action Plan to bring the multiple parties into OAA and LGOA compliance.

PSA Requesting Waiver:	Santee Lynches PSA
Type of Waiver Requested	Minimum Days of Operation Waiver Request
Date the Waiver is Requested to cover:	

Is this a waiver consideration on behalf of the PSA or the Provider/Contractor?	Contractor
Name of Provider/Contractor Director if appropriate:	Kershaw County Council on Aging

Name of site for waiver consideration if appropriate:	Bethune Community Senior Center
Provider/Contractor contact information if appropriate:	Bruce Little (803) 432-8173 bruce@kershawcoa.org

What type of waiver is being requested? Please specify what action plans and protocol steps the PSA has taken to assist the Service/Provider Contractor to comply with the requirements of the OAA, AoA and LGOA and the duration of the assistance given.

Request for a waiver pursuant to LGOA Policy & Procedures Manual, Chapter 400, Section C and Chapter 500, Section H to permit less than 5-days of operation.

Please state what specific challenges the PSA and Service Provider/Contractor encountered and why they were unable to successfully perform the requirements of the PSA, AoA, OAA and LGOA which necessitated the need for this waiver.

Challenges	Reason Unable Perform the Requirement
Transportation to the center, overcoming an established culture, staffing, and operational costs are hurdles that are challenges to establishing the Bethune Center into a 5-day operation.	The COA has worked to provide more interesting, engaging, and educational programs that will attract our Seniors to the center. The Bethune area is a rural area. It will require a sizable amount of funding, partnerships, transportation service and programming to increase the numbers in the area. Funding forecasts and canvases of current Seniors and staff indicate that it will take time to transition to a 5-day facility.

What do you anticipate the positive results or benefits of the waiver will be if granted?

Kershaw County Council on Aging will continue to be able to provide nutritional value to deserving area Seniors as well as provide a Senior "community center" for social engagement, relaxation, and comradery.

What do you anticipate the negative consequences of not granting the waiver will be?

The nutritional and social needs of area Bethune area Seniors will go unmet until another resource is planned, organized, and executed. This could take an unnecessary amount of time Seniors do not have. Bethune seniors will feel

slighted assuming outside forces have determined their social interests have no value and they have no nutritional needs. This could take an unnecessary amount of time our Seniors do not have.

How will you determine if this waiver will lead to service or programmatic improvements?

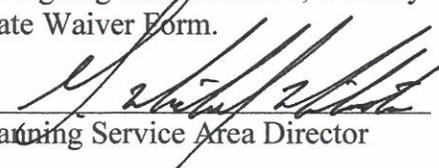

Currently the COA's staff meets weekly to evaluate its programs and services. Attendance is an agenda item. Related performance matters are discussed in a monthly meeting at the AAA.

What steps will the PSA take to ensure that the Provider/Contractor adheres to the contracts signed with the PSA to provide services, functions, and activities required for OAA and LGOA funding, in addition to this waiver?

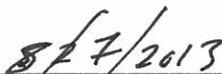

Through monitoring, contract compliance, unscheduled visits and customer service survey.

Additional comments or information needed to support waiver request:

By signing this document, I certify that the waiver will be implemented as described above in this State Waiver Form.
