

South Carolina World Elder Abuse Awareness Day

Elder abuse is an under-recognized problem with devastating and even life-threatening consequences. Each year, hundreds of thousands of older persons are abused, neglected, and exploited. Throughout the United States older persons lose an estimated \$2.6 billion or more annually due to elder financial abuse and exploitation. It occurs in every demographic, and can happen to anyone—a family member, a neighbor, even you.

South Carolina's World Elder Abuse Awareness Day Conference will be held
