<b>Grand Total</b>		<b>\$400,000.00</b>

**Please explain how these funds will be used to provide a public benefit:**

Funds provided will be used in the construction of the Murdaugh Senior Center. The center will provide nutritional services to at-risk senior citizens in Williamsburg County, South Carolina. The center will feature a larger multipurpose dining room which will greatly expand congregating dining services to senior citizens. Seniors will also benefit from expanded nutrition education, health promotions and screenings and evidenced-based physical fitness programs. The new center will replace the present Kingstree Wellness Center which has very limited occupancy and limited parking on the grass. The Murdaugh Senior center will replace the delapidated Old Kelly Hospital which is presently being demolished through a CBDG grant. The Center will be constructed on the site where Vital Aging's commercial grade walk in freezer for its home delivered meal product is located thus better consolidating operations and providing greater efficiency for this service. The Murdaugh Senior center will greatly contribute towards the already successful downtown revitalization efforts underway with the Town of Kingstree's Main Street Program. The location of the Murdaugh Center will be centrally located in downtown Kingstree within walking distance to local shopping, County Library, banking, US Post Office, Williamsburg County Government offices and railroad station. The building will offer an excellent meeting/event facility to the public centrally located downtown.
