QUARTERLY REPORT TEMPLATE..... 53

I. INTRODUCTION BACKGROUND

In 1991, the South Carolina State Legislature established the Senior Center Permanent Improvement Project (PIP) grant program and appropriated \$948,000 per year from State Bingo tax (\$79,000 monthly) and licensing fee revenues to fund a list of 74 specifically identified capital improvement projects. The total amount of funding required to complete these projects was reached in the year 2000.

The original legislation was amended by the General Assembly in 1997 to continue the program beyond the original list and the State Unit on Aging (hereafter called the SC Department on Aging or SCDOA), was given responsibility for developing an ongoing process to select and fund applications for senior center capital improvement projects. The resulting procedures created a competitive grant process for securing Senior Center PIP funds.

The initial legislative basis for this grant program was established in Section 12-21-3441 of the Code of Laws of South Carolina 1976 and Section 12-21-4200.

DECLARATION OF INTENT

It is the intent of the Department on Aging (SCDOA), to administer the South Carolina Senior Center Permanent Improvement Project grant program according to the authority vested to the SCDOA by the legislature, Section 12-21-3441 and 12-21-4200. The SCDOA keeps the state's legislative intent at the forefront of its PIP grant mission and manages the matching grant program accordingly.

MISSION STATEMENT

The Department on Aging (SCDOA) has established guidelines to assure that the South Carolina Permanent Improvement Project (PIP) funding is fairly distributed through an application process to fund senior center capital improvement projects. The PIP funds, as determined by the SCDOA, are intended to be used as a resource to assist in construction, renovation, and emergencies (as defined the SCDOA policy) financial assistance to Grantees that meet the specified PIP guidelines, follow the established procedure, and administer the PIP project according to signed PIP documentation that serves as an agreement between the Grantor (SCDOA) and the Grantee. In turn, the Grantor provides project reimbursement to the grant recipient upon receipt of verified work invoices.

The SCDOA prides itself in assuring that all ethics and legal policies and procedures will be practiced in the PIP program process and administration.

NOTE: The SCDOA shall not start reimbursing the PIP recipient until it is fully demonstrated through documentation that at least 50 percent of the project is completed. The balance of the allocated award will be paid once the recipient documents completion of the project.

PURPOSE

The SCDOA requests 2026 emergency Grant Proposals for permanent improvements to senior centers in the State of South Carolina in the month of June, if funds are available.

Application Procedures:

- Applications will be received in the month of June if funds are available.
- Project applicant meetings and evaluations will be made in July - August.
- PIP grants will be awarded later in the summer.

NOTE: Permanent Improvement funds are to be used for construction projects and not to fund engineering, preplanning projects, or land acquisition. **Recipients will have 60 days to complete**

emergency repairs projects. If the project is not completed within the allotted grant period, the funds will revert to the SCDOA PIP account. **To meet the timeline requirements, set in the PIP guidelines the applicant must demonstrate in this grant application that it has all necessary funding committed and must show that all pre-planning (such as design, engineering, land preparation, and permitting) for the project has been completed.**

GENERAL

This Grant Application Package describes the procedures necessary to apply for and successfully complete a Senior Center Permanent Improvement Project (PIP). The two-part grant application package includes requirements for the submission of grant proposal and the project plan package. Questions regarding the Grant Application Package should be directed to the Grant Proposal PIP Coordinator.

NEED

Grant Proposals must provide **evidence** of need for proposed projects in the community. PIP Applicants should conduct or refer to existing needs evaluations, to demonstrate the need for the proposed project. The PIP application process seeks to promote a visionary, collaborative, and community-oriented approach in designing facilities that serve the local needs of the aging community, while adhering to the strategic mission statement established by the SCDOA.

NOTE: Prior to submission of an application, the applicant shall read the South Carolina Aging Network's Policies and Procedures Manual, as well as the current South Carolina State Plan on Aging to have a professional knowledge of applicable SCDOA protocols and policies.

SOLICITATION OF EMERGENCY GRANT PROPOSALS

Grant proposals are solicited in the month of June, based on available PIP funds. Grant applications must be received by June 30th (under the discretion of the SCDOA).

Applications received after June 30th will not be accepted. The SCDOA will publish requirements and each organization wishing to apply for a grant under this program may find this Grant Application Packet containing instructions, procedures, and all necessary forms on the SCDOA website (www.aging.sc.gov).

The SCDOA reserves the right to amend and modify PIP policies and procedures as needed.

The SCDOA requires each condition of the Permanent Improvement Project Grant Application to be strictly followed during the application process, grant period and for the required reversionary period. If the recipient does not adhere to and meet the conditions and requirements set by the SCDOA and the Permanent Improvement Project Grant Application, the PIP Grant may be suspended or terminated.

II. ELIGIBILITY FOR FUNDING APPLICANT ELIGIBILITY

The following conditions apply to applicants for grants under the Senior Center Permanent Improvement Project:

- Must either be a local or county governmental entity/subdivision recognized by the State of South Carolina; an established not-for-profit entity that provides services for seniors using Older Americans Act or State aging funding; or a not-for-profit human services organization designated by their Area Agency on Aging (AAA) as a contracted provider of aging services.
- Each applicant shall be a community focal point (A focal point is a facility established to provide local leadership on aging issues, to provide older adults access to services at a central location with customer-oriented staff, and to assist those in the community who have an interest in, or need for information, resources, and services) for seniors.
 - a. All applicants shall meet the National Council on Aging's Multipurpose Senior Center Standards – to be a Village Square or Focal Point for aging services.
 - b. Senior center directors are required to have a membership with the National Council on Aging. For additional information on how to apply, for free membership visit: <https://www.ncoa.org/page/nisc-membership-application>
- The AAA is required to approve the project by signing the grant application and providing a letter of support highlighting the project's necessity, applicant's qualifications, and project's goals. The AAA's signature on the application indicates their endorsement of the project and their confidence in the applicant's ability to operate a multi-purpose senior center. **No proposal will be considered without written approval from the AAA.**
- Funding under this grant can only be used for permanent improvements to senior centers or the portion of a facility used for aging services.
- Any applicant that has received up to \$350,000 cumulative in PIP funds in the previous 7 years is not eligible to receive additional PIP funding. PIP applicants who have received less than \$350,000 can continue to request funding until they have reached a \$350,000 limit. After 7 years, previous PIP recipients of \$350,000 will be eligible to apply in the next PIP funding cycle.
- Non-Governmental PIP Recipients must have an Escrow Account, or a Designated Funds account set up for the entire tenure of the reversionary period to make necessary improvements, such as standard repairs and improvements that will be expected from the normal day to day use of a facility. **Each applicant shall have Escrow funds or a Designated Fund Account to make necessary repairs or to renovate real property that has worn out or reached the end of its normal life expectancy. These standard repairs are not eligible for emergency PIP funding.**

FACILITY REQUIREMENTS

Either at the time of the application, or because of the proposed project, the facility must meet the following requirements:

- *“The National Council on Aging defines a senior center as a community focal point that offers a variety of services and activities for older adults. To meet the definition, a senior center must engage in cooperative community planning, establish cooperative service delivery systems, provide information and referral services, and connect older adults to community resources. The center should also educate the community, public officials, other professionals, and students about the diverse needs and experiences of our aging community. It should be a place where older adults can gather to enhance their dignity, support their independence, and encourage their involvement in and with the center.*
- The center must provide or arrange for a broad spectrum of services including health, social, nutritional (but not necessarily meals), educational, and recreational programs.
- **It must operate at least five days a week, except for legal holidays and emergencies.**
- **It must have programs and services available for set hours each day (the SCDOA recommends each site operating for at least six hours each day).**
- PIP Recipients will be expected to follow and incorporate any amendments/changes made to the National Council on Aging’s Senior Center Standards during the Reversionary Period of the grant, if those changes affect senior center services, activities, and programs. Senior centers that receive PIP funding shall execute all changes during the entire reversionary period stated in the PIP grant agreement. (See page 30 for the reversionary period.

Protocols for Evaluating PIP Applications and the Awarding of Grants

(All requirements of the PIP Application Package and the SCDOA policies and procedures for PIP grants

1. PIP grant application proposal, one electronic copy (email) must be received by SCDOA by close of business Tuesday, June 30, 2026.
2. Applications must be supported by the local AAA Director before SCDOA will consider the project. Please Note: No PIP grant will be awarded to an entity not supported by an AAA.
3. The PIP Coordinator and PIP Panelists thoroughly examine the applications submitted to determine their compliance with established application requirements and agency policy and procedures.
4. Applicant meetings are scheduled with SCDOA PIP Coordinator and PIP panelists to meet with each applicant to discuss applications, committed project funds, agency finances, project details, and the long-term sustainability of the senior center. A standardize list of questions is asked of all applicants during each visit. Each visit follows a uniformed process.
5. After the applicant meetings are concluded, the PIP Coordinator and PIP panelists will conduct a final review of the applications.
6. The PIP Coordinator will brief SCDOA Director who will approve grant recipients.
7. PIP recipients and local AAAs will be notified in writing of the awards.
8. The grant applicant will have 30 days to complete the necessary forms to qualify for a Notification of Grant Award (NGA) from the SCDOA.
9. Once the SCDOA receive the C-Forms we will prepare NGAs for the applicant(s) to sign and execute.

III. MATCHING FUNDS

The Senior Center PIP Program is a matching funds grant program. The local PIP Applicant must provide the matching funds. The match rate is 10 percent for Emergency PIP requests, and awards.

When documenting its match, the grant recipient must provide a bank statement showing there is a designated funds account to manage a match and if the applicant has a board the minutes reflecting a match has been met.

How is the local match determined? (Match plus requested funds equals the grant total.)

State Dollars Requested

Percentage of State Amount (10% for emergencies)
 = whole amount

EMERGENCY GRANT LOCAL MATCH

Example 1

If the applicant is requesting \$90,000 in state funds for **Emergency**
 Divide \$90,000 by 90% = the whole of \$100,000
 Subtract \$90,000 from \$100,000 to determine the local match of \$10,000

Example 2

If the applicant is requesting \$22,500 in state funds for **Emergency**
 Divide \$22,500 by 90% = the whole of \$25,000
 Subtract \$22,500 from \$25,000 to determine the local match of \$2,500

Allowable matching funds include the following:		
Local Government funds	Rural Government funds	United Way contributions
Church and civic donations	Private donations	In-kind based on real estate
Monies generated through fund raising activities.	Anything else approved in advance by the SCDOA during the application processes.	Organization has actual funds on hand to use as match.

IV. ALLOWABLE EXPENDITURES EMERGENCY

- **NOTE: PIP funds shall not be used to purchase real estate, which does not have a move-in ready building on site ready to occupy/operate.**
- **Emergency repairs to the facility to alleviate safety or health concerns.** The SCDOA can award emergency PIP funding in cases that would prevent senior centers from operating safely or where there are serious health concerns. This funding is awarded on a case-by-case basis at the discretion of the SCDOA, if funding is available. Emergency PIP applicants must submit a completed PIP application, as well as three valid work estimates in writing. There is a ten (10) percent local match for Emergency PIP awards. Emergency PIP recipients shall have 60 days upon the NGA being executed to complete the project.

Note: No more than twenty-five (25) percent of the increased space can be dedicated to office space. PIP funds must provide a beneficial senior center experience for older adults.

Examples of allowable emergency expenses are, in order of recommended priority:

- Emergency Repairs - means the process of restoring, to a serviceable condition, by putting back together real property that is damaged. The term “Emergency Repair” excludes real property that has degraded through natural wear and tear or surpassed its normal lifespan, as per this definitions scope. Examples of Emergency Repairs are as follows:
 1. Vandalism
 2. Accidents
 3. Flood, lightning, or wind damage
 4. Fire damage
 5. Accessibility focused renovations (please see appendix)

The appendix below contains information on the accessibility focused renovations for emergency repairs.

1. Exterior & Entryway Improvements

Making a business accessible starts before anyone walks through the door.

- **Accessible Parking:** Restriping the parking lot to provide wider, van-accessible spaces with the correct signage and access aisles.
- **Pathways & Ramps:** Grading sidewalks, ensuring smooth, non-slip surfaces, and installing ramps with compliant slope ratios (typically 1:12 for new constructions).
- **Automated Doors:** Adding push-button automatic door openers or touchless sensors to make heavy entryways easy to navigate.
- **Door Hardware:** Replacing round doorknobs with lever-style handles and adjusting door-opening force to be 5 pounds or less.

2. Interior Navigation & Layout

Getting around the building comfortably is just as vital as getting inside.

- **Wider Aisles:** Removing or rearranging fixed or built-in fixtures to ensure aisles, corridors, and hallways are at least 36 inches wide.
- **Turning Spaces:** Ensuring there are 60-inch by 60-inch circular spaces in dead-ends or main areas so wheelchair users can make full 360-degree turns.

3. Restroom Renovations

Restrooms require specific modifications to be used by individuals with mobility aids.

- **Clearance & Stalls:** Enlarging stalls to allow for wheelchair maneuvering and transferring.
- **Grab Bars:** Installing secure grab bars on the walls beside and behind the toilet.
- **Fixtures:** Lowering mirrors and sink countertops, insulating plumbing under the sink so it doesn't burn legs, and using lever-faucets or motion-sensor taps.

4. Service Counters & Amenities

Customers with disabilities must be able to access the same goods and services as everyone else.

- **Lowered Countertops:** Providing a section of your service or checkout counter that is no more than 36 inches high to accommodate seated customers.

Examples of *disallowable* expenses are as follows:

- Equipment and furnishings with a life expectancy of less than 15 years, such as audio-visual equipment, computers, exercise equipment, and some kitchen appliances. Only “built-in” kitchen equipment such as stoves, permanent commercial refrigerators, and dishwashers are allowable, which *excludes* stand up refrigerators, microwaves, and carts.
- Equipment and furnishings that is not heavy enough to preclude easy removal. Tables, individual desks, chairs, office equipment, and draperies are examples of items *excluded* because of failure to meet this requirement. *Allowed* examples include built-in bookcases, fixed blinds, and built-in information desks.
- Renovating or expanding existing office space or areas not directly related to service delivery beyond stated limits (25 percent).
- Appraisals, Environmental study, architect, engineering, landscaping, and/or other professional fees.
- Site improvements or preparations, including demolition of an existing structure.
- PIP funds cannot be used to fund senior center programmatic activities.
- The Grantee may request that SCDOA make a ruling prior to submitting a project plan. Such decisions shall be made in accordance with the guidelines and philosophy of this grant program.

PIP funds cannot be used to acquire property, which does not have a move-in ready building on site ready to occupy/operate for use as a senior center. Nor can PIP funds be used for pre-construction costs such as engineering or architectural uses. PIP funds can only be used for actual construction or building purposes.

EXCLUSIONS

No funds from Senior Center PIP grant awards may be used for the following:

personnel costs	late payment charges, including penalties and fines
operational costs	contributions
senior center activity costs	entertainment
promotional expenses	administrative expenses
bad debts	actual losses which could have been covered by insurance
contingency funds	interest
fund raising costs	investment management costs
legal fees	profit/losses on disposition of depreciable property or other capital assets
Acquisition of Property (unless there is a ready use building already in place)	

The SCDOA reserves the right to determine whether any cost is an allowable expense. The SCDOA will make the final determination as to whether a particular expense is allowable.

V. DISTRIBUTION OF FUNDS AFTER AWARD AVAILABILITY OF FUNDS

Unlike most government-funded programs, PIP does not receive its annual funding in a lump sum at the beginning of the fiscal year. It is received in monthly payments from bingo revenue; therefore, sufficient funds are not always on hand to initiate a new grant agreement. All funds will be released through a grant agreement between the Grantee and SCDOA. PIP Grant Applications are evaluated by the PIP panelists and the PIP coordinator at SCDOA. The order in which grant agreements will be initiated will be based on the following considerations:

1. Amount of available funds at the time a grant agreement is requested.
2. Priority given for emergency repairs or in situations where delaying construction will lead to further damage (e.g. leaking roof repairs)
3. PIP Applicants readiness to begin construction (PIP projects must be completed within two years of the execution of a Notification of Grant Award. A change in funding or the scope of the project may result in the termination of the grant agreement.)
4. Need for the proposed project in the community.

Upon receipt of an approved project plan package, a grant agreement will be initiated in approximately 30 days if **sufficient funds are available at that time.** If funds are not yet available, the Grantee will be notified of the estimated time when sufficient funds will be available.

If the General Assembly makes any changes to the PIP Bingo Funding, all PIP recipients will be notified immediately and informed of any changes to their funding.

TIME-LIMITS FOR REQUESTING A GRANT AGREEMENT

PIP Recipients/Grantees will have approximately 30 days from the time they receive their grant award notification in which to submit a properly completed project plan package and request that a Grant Agreement be initiated between the SCDOA and Grantee. No NGA's will be issued until the PIP Recipient submits the necessary forms including the C-Forms to the SCDOA. PIP Recipients must be prepared to begin construction within this period and must be prepared to start construction within 90 days of (NGA) execution. The SCDOA will not award PIP funds to an applicant unless there is sufficient evidence through documentation to show that construction will start immediately.

(Emergency PIP Recipients will only have 60 days to complete the total project from execution of a signed NGA).

Recipients that fail to request the initiation of Grant Agreement (including a properly completed project plan package), within this 30-day time period, will forfeit their funds. Forfeited funds will be added to the total funds available for future applications. A Grant Agreement shall not be requested when the sole purpose is to avoid or delay the loss of PIP funds.

Note: The NGA period is different than the PIP Grant Period. An NGA is effective for a fiscal year only (10-1 thru 9-30), while the PIP Grant Period may overlap fiscal years.

At the conclusion of the first NGA period, the SCDOA will reevaluate the PIP project to determine if a second year NGA extension is warranted to conclude the project. Through its quarterly updates, the recipient shall have demonstrated that it adhered to all PIP requirements during the NGA period and is showing significant progress toward completing the project to be awarded an NGA for a second year.

NOTE: All local match and other local project funds shall be spent before the PIP recipient can request reimbursement from the SCDOA.

NOTE: The SCDOA shall not start reimbursing the PIP recipient until it is fully demonstrated through documentation that at least 50 percent of the project is completed. The balance of the allocated award will be paid once the recipient documents completion of the project.

TIME-LIMITS FOR COMPLETING PROJECTS

Emergency Grants

After the execution of the Grant Agreement (NGA) all emergency projects must be completed within 60 days.

NOTE: No project extension will be approved unless there is proof of conditions outside the control of all parties which will not allow the project to be completed within the grant period. There will be no extensions granted for routine construction delays or for funding issues that were not disclosed when the original PIP application was submitted. The recipient will repay any funds provided by the SCDOA for a project not completed in the grant period.

PROCESS TO APPLY FOR EXTENSION

The PIP Recipient must contact the SCDOA in writing within 30 working days before the end of the PIP NGA Grant Period if an extension will be needed for the project to continue. The SCDOA will respond to the PIP recipient and officially notify them that they will have ten working days from receipt of the SCDOA correspondence to complete a new PIP grant application and a PIP NGA Extension Form. The revised PIP application must contain new timelines, work/project schedules, funding changes, and a summary of any project changes that have been made or planned to be made in the scope of the project. The revised application must also provide a new project completion date.

Once the newly revised PIP application is reviewed and approved by the SCDOA, a new Notice of Grant Award (NGA) will be signed by the SCDOA Director and the Grantee, which will establish the extension and a new grant period.

By receiving an extension, the PIP recipient agrees to adhere to all current PIP policies established in the most recently revised SCDOA PIP Application Package and NGA, and not the policies, terms and conditions previously agreed to in their originally submitted PIP application and NGA.

NOTE: The SCDOA holds the authority to approve all documented requests for grant extensions. There is no appeal process.

NOTE: The SCDOA requires reimbursement of PIP funds from any recipient who has not completed their project within the designated grant period. Or if a grantee fails to complete the project within the allotted timeframe, they must refund the SCDOA for any disbursed PIP funding.

TIME-LIMITS FOR QUARTERLY UPDATES

PIP Recipients/Grantees are expected to provide quarterly project updates, using the standardized template found on Page 53. The updates will be sent to the SCDOA. The SCDOA expects to receive Quarterly Updates by the close of business on March 15, June 15, September 15, and December 15. Updates will be required until the PIP Recipient provides the necessary end-of-project forms (C7 pages 49-51) to close their file. **NOTE: Any PIP project that fails to meet this requirement and provide quarterly updates may forfeit remaining PIP funding and shall reimburse the SCDOA for previous PIP funds allocated.**

SPECIAL INSTRUCTIONS AND CONDITIONS

ANCILLARY SERVICES

Applicant organizations must take responsibility for publicity and outreach activities directed toward community collaboration regarding the project, linkages with other community resources, and obtaining funding support designed to ensure long-term sustainability of the senior center.

MANAGEMENT

There must be adequate evidence of organizational capacity to develop and manage the project, as well as proof to show the long-term viability of a project to operate over the entire reversionary period.

GRANT PROPOSAL CONSTITUTES OFFER

By submitting a Grant Application, the applicant agrees to be governed by the terms and conditions described in this document except where subsequent amendments are specifically agreed to in writing by the parties to supersede any such provisions of this document.

NO OBLIGATION TO SCDOA

Neither the SCDOA nor any agent thereof will be obligated in any way by any applicant response to this document.

AMENDMENTS

If it becomes necessary to revise any part of the Grant Application Package, all amendments will be provided in writing to all applicants. Verbal statements or discussions cannot add, delete, or modify any written provision.

QUESTIONS

Questions concerning the PIP grant proposal may be submitted in writing via email or mail to the PIP coordinator by **June 15, 2026**. The written submitted questions will be returned no later than **June 23, 2026**. The PIP Coordinator contact information is located below:

Grants will be awarded to applicants who best meet the requirements and evaluation criteria described in this Grant Application Package. Due to funding limitations, the number of grants awarded is contingent upon the dollar requests of the applications received. The SCDOA reserves the right to reject any or all Grant Proposals, and in all cases the SCDOA will be the sole judge as to whether a Grant Proposal has or has not satisfactorily met all requirements. Any applicant that has received up to \$350,000 cumulative in PIP funds in the previous 7 years is not eligible to receive additional PIP funding. PIP applicants who have received less than \$350,000 can continue to request funding until they have reached a \$350,000 limit.

RIGHT OF NON-COMMITMENT OR REJECTION

This solicitation does not obligate the SCDOA to award a grant or to pay any costs incurred in the preparation of a Grant Proposal. The SCDOA reserves the right to accept or reject any or all Grant Proposals received as a result of this Grant Application Package, or to cancel in part or in its entirety this Grant Application Package if it is in the best interest of the SCDOA to do so.

The SCDOA reserves the right to reduce the number and/or dollar amounts of grant awards if it determines that the applications received do not provide adequate evidence that sufficient funding is available for both completing the construction project and managing future operating (including programming and services) expenses.

NOTICE OF AWARD

Each applicant will receive written notification of awards made under this Grant Application Request. Upon completing the necessary C-Forms, an NGA will be signed by the Grantee and SCDOA. After the NGA is signed, the Applicant must meet the time limit (60 days for emergency, 24 months for renovation, expansion, and new construction). Failure to meet any of these terms may result in forfeiture of funds.

NOTICE OF TERMINATION

Any Grant Agreements resulting from this process will contain the following language. *“This Grant Agreement may be canceled and terminated by either party at any time within the agreement period whenever it is determined by such party that the other party has materially breached or otherwise materially failed to comply with its obligations hereunder. In the event of the termination of this Grant Agreement, the party terminating the Grant Agreement shall give notice of such termination in writing to the other party. Notice of termination shall be sent by certified mail, return receipt requested.”* **NOTE: Upon termination of the grant agreement, the recipient shall be legally responsible for reimbursing the SCDOA any/all PIP funds previously allocated to the recipient for the project.**

PROHIBITION OF GRATUITIES

Each applicant shall comply with all applicable South Carolina ethics laws, including, but not limited to, S.C. Code Ann. § 8-13-700, et. Seq.

VI. PREPARATION OF GRANT PROPOSAL

Each applicant must provide one electronic copy. The Grant Proposal (including documentation) should be emailed in a *single file*. Grant Proposals should not have hard covers or be spiral bound. Grant Proposals should be prepared simply and clearly, with a straightforward, concise description of applicant’s ability to satisfy the requirements of the Grant Application Package. *Emphasis should be on completeness and clarity of content.*

- Grant Proposals must supply all requested information. Grant Proposals that are incomplete or contain significant problems, deficiencies, or discrepancies will be disqualified.
- Any clarifications requested by the SCDOA must be submitted within the timeframe specified and must be acceptable to the SCDOA. Failure to adequately respond within the timeframe will result in disqualification of the application.

GRANT PROPOSAL FORMAT, STRUCTURE, AND CONTENT

The Grant Proposal must include the following, in this order:

- **COVER SHEET (page 15)**
 - Submit the completed cover sheet provided in this section.
 - **NARRATIVE SECTION GENERAL INFORMATION SHEET (page 16)**
 - Submit the completed sheet provided in this section.
 - **PROGRAM NARRATIVE AND BUDGET SPREADSHEETS (page 18-28)**
 - Complete program narratives and submit in the order as provided in this section.
-
- The narrative sections must be concise, yet sufficiently responsive to each question. Budget narratives and spreadsheets must provide a clear picture of how resources will be obtained and utilized to complete the proposed project, operate the center after construction, and include the status and source of all on-hand, committed, or anticipated resources, including in-kind contributions (Match documentation must include proof of matching funds available in bank or financial statement, as well as board minutes noting a match is being met).
- **ATTACHMENTS**
 - A letter of support for the project signed by the County Council and, where appropriate, City Council, is required of all applicants. All letters of support should describe how they will be involved to support the project described.
 - Applicants should submit copies of any working agreements or letters of support from other service delivery agencies in their community. Do not submit more than five documents.
 - When needed, an applicant must include a Memorandum of Agreement with a COA or other senior service provider, when the applicant is contracting with a third party to provide senior services and programming required to operate a senior center that meets national standards. The PIP recipient is legally obligated to provide services and programming for the entire reversionary period of the grant, regardless of third-party involvement.
 - **PROPOSED SOURCES OF PROJECT FUNDING (Form H page 25)**
 - **ESTIMATED TOTAL PROJECT COST (Form J page 27)**
 - **CHECKLIST REVIEW (page 29)**
 - Submit the completed sheet provided in this section.

SUMMARY OF APPLICANT'S QUALIFICATIONS

The applicant must, **upon request** of the SCDOA, furnish satisfactory evidence of ability to furnish products or services in accordance with the terms and conditions of this Grant Application Package.

SCDOA retains the authority to make the ultimate decision regarding the applicant's capability to deliver the services outlined in this grant application package prior to the establishment of any grant.

ADMINISTRATIVE AND FISCAL CAPABILITIES:

SCDOA reserves the right to seek additional information to determine the administrative and fiscal capabilities of the applicant.

PIP Project Terms and Conditions

1. **Projects funded through emergency grants shall be completed within the three-month grant agreement. There will be no extension approved unless there is proof of conditions outside the control of all parties, which would not allow completion of the project within the grant period. Extensions are not allowed for routine construction delays, loss of funding and other funding related issues, or for funding concerns not disclosed when the original PIP application was submitted. The recipient will repay all funds provided by the SCDOA for a project not completed in the grant period.**

2. SCDOA shall not start reimbursing the PIP recipient until it is fully demonstrated through documentation that at least 50 percent of the project is completed. The balance of the allocated award will be paid once the recipient documents completion of the project. **A PIP recipient will only receive two disbursements one at the completion of 50 percent of the project and at 100 percent completion of the project.**

3. The SCDOA will not reimburse PIP funds until the project expends local match, local funding, and other funding first.

4. The failure by the PIP Grantee to submit all required reports to the SCDOA on time shall result in the termination of the grant agreement. The grant recipient shall repay all state funds provided by the SCDOA in the event of termination. (Starting from the date of the Notification of Grant Award, written progress reports (page 53) are to be submitted to the SCDOA quarterly (3 month) intervals throughout the entire project period. The progress reports are due by March 15, June 15, September 15, and December 15. These reports include: 1) Major activities and accomplishments 2) Any deviations or departures from the original project plan 3) Discussion of any significant problems encountered or anticipated, 4) all delays; and 5) Any other remarks or comments of note. Upon completion of the project, the PIP Recipient must submit a final report within 30 calendar days.)

PROGRAM NARRATIVE: REQUIRED SECTIONS***A. PROJECT JUSTIFICATION***

Provide a clear and comprehensive justification of the need for this project. Does your geographic area have a need for this project (please provide specific data showing the need)? Include a description of the facilities currently available in the geographic area to be served, any existing problems with existing facilities or concerns for serving the needs of seniors in this geographic area, steps taken in the past to address those problems, steps that are being proposed to address problems, and how the current or projected client base justifies the proposed project. Does this project have the support of community leaders?

State if the need is of a safety or emergency concern and, if so, provide evidence of such. What is the justification for repairs, renovations, or new construction?

Attach additional pages or any supporting documentation to the back of this page.

B. ENHANCEMENT OF SERVICES TO THE AGING COMMUNITY

Describe how the proposed project will enhance the existing delivery of services to the senior population of the area. What steps will be taken to ensure that this senior center is a community focal point for the aging community in the geographical area? How does your organization reach out to the community to build partnerships and coalitions designed to enhance services and programming for the seniors? Include current or planned senior center activities and programs and the potential impact on the number of senior citizens to be served through the proposed project (in terms of daily, monthly, and yearly figures).

C. USE AND PURPOSE STATEMENT

Provide a clear and concise statement of the use and purpose of emergency grant for which funding is being requested.

Note that all projects must comply with the Senior Center Standards set by the National Council on Aging unless otherwise stated.

D. COMMUNITY COORDINATION AND INPUT

- How will this project coordinate and contribute to other aging-related programs and initiatives in the community and this geographical area?
 - How will it benefit the overall community in which it is located? What measures have been taken to ensure community input into the project?
 - What type of community involvement and support does your organization already have in your geographic area and how will PIP funding be used to further increase community participation and support?
 - What steps has your organization taken to build coalitions and partnerships to support services and programming for the aging community?
 - How will your organization be able to successfully utilize this community involvement to successfully fundraise to support this senior center and seek volunteers to support day-to-day senior center operations?
 - How will your organization provide information and referral services that includes connecting to the senior population to resources in the community?
-

E. COORDINATION OF COMMUNITY FUNDING

How will this grant be used in conjunction with other financial support/grants from other resources, particularly those available in the county or region? Please provide in-depth detail on how your local and other funds will be utilized to fund this project. **Section E must agree with data from chart in Section H on page 25.**

F. MANAGEMENT EXPERIENCE

Provide evidence of how the applicant has been able to successfully manage similar or other non-recurring grants in the past by providing specific details on previous grant projects. How have previous grant projects prepared the applicant to effectively manage a PIP project and successfully operate and manage a senior center that is a community focal point?

G. PLANS TO COMPLETE PROJECT

Project Title:	
Note: The SCDOA requires construction to start within 90 days of the grantee signing an NGA with the SCDOA.	
If approved, what is the estimated start date of actual construction?	
Completion Date?	

Provide evidence of a work schedule to complete the proposed project and the ability to meet project deadlines. (Financial resources must be committed and verified before the SCDOA awards the grant.)

(Signature of PIP Applicant)

I. PROJECT PLAN BACKGROUND

Describe how the project budget was formulated and what alternatives were considered. Information and documentation regarding contributions of other resources is required, if included in the budget. Specifically, discuss community and other local government contributions, whether cash or in-kind. Which funds will be used to meet the required match? Are funds on hand, committed or anticipated? If additional funds are needed, explain how and from whom they were obtained, and when they will be obtained **(All local funding, including a match, is expected to be on-hand when the PIP Proposal is submitted.)**

J. ESTIMATED TOTAL PROJECT COST

PROJECT TITLE:		
AMOUNT	TYPE OF EXPENSE	BRIEF EXPLANATION/DESCRIPTION
Fees not paid by PIP	Professional Services (Environmental study, Architects, etc.) (PIP Funds Prohibited)	Professional services shall be completed before a PIP application is submitted.
Fees not paid by PIP	Land Purchase	PIP funds prohibited for land purchase unless there is a building onsite ready for immediate occupancy at purchase time.
Fees not paid by PIP	Site Development (earth moving, etc.)	Site planning/development shall be completed before a PIP application is submitted.

K. OPERATING BUDGET

To ensure the success of a senior center, it is crucial to showcase the ability to generate sufficient revenue and community involvement through various activities. In this section, applicants must show sufficient ability to maintain this property over the entire reversionary period (20 years for grants awarded \$100,000 or more, 10 years for grants awarded \$50,000 to \$99,999 and 5 years for grants less than 50,000). Utilizing the format below please answer the following questions regarding sustainability.

- As a result of this project, what increases/decreases in the center’s operating budget are anticipated? Provide a 5-year operating projection with sources of revenue required to manage the project and to provide all services expected to be delivered in this application.
 - How will any increases in operating costs be handled?
 - Are there firm commitments or collaborative agreements to fund on-going operations of the facility?
 1. Include all activities which will generate revenue to fund operating expenses (fundraising, grants, contributions, etc.)
 2. Include in budget plans for an Escrow Account or designated funds account to provide for ongoing maintenance and repair cost.
 3. Include examples of fundraising activities designed to provide revenue streams and the amount of fundraising dollars raised annually to support your center’s activities. *(An Escrow Account and/or designated funds must be set aside to maintain the facility and to make necessary repairs in order to provide a safe environment for seniors using this facility.)*

CHECKLIST

Each Grant Application must contain the following completed forms:	
<input type="checkbox"/>	Completed Application Cover Sheet
<input type="checkbox"/>	Completed Program Narrative General Information Sheet
<input type="checkbox"/>	Completed Project Narrative/Budget Questions, including
<input type="checkbox"/>	Estimated Total Project Cost Spreadsheet
<input type="checkbox"/>	Proposed Source of Funding Spreadsheet
Grant Applications must contain the following attachments:	
<input type="checkbox"/>	Letter of Recommendation from AAA
<input type="checkbox"/>	Letter of Recommendation from County/City Council
<input type="checkbox"/>	Letters of Collaboration/Support/Commitment from other agencies/organizations that are involved in the project.

An original grant proposal, one electronic copy must be received by SCDOA by June 30, 2026.

III. EVALUATION CRITERIA

Proposal Review

The grant proposals will be reviewed based on the criteria listed below. The PIP Coordinator and PIP Panelists will meet with applicants before final determination to determine eligibility and long-term viability of the project. Upon completion of the meetings, the PIP Coordinator will meet with the SCDOA Director to make recommendations for funding. (Meetings can be scheduled at the SCDOA, the AAA, or the applicant's office.)

REVIEW CRITERION

- Evidence of general need and client base for project; additional evidence provided if need is of an emergency nature due to life and/or safety concerns; effective plan to address needs; discussion of alternatives considered; and ability to manage the project. During the evaluation process, SCDOA data will be reviewed to determine if the organization and site meet the requirements stipulated by the Older Americans Act and the South Carolina Aging Network's Policies and Procedures Manual.
- Adequacy of the proposed design, utilization of space and provision of a wide range of services and activities to support a high-quality Aging program.
- Project budget is reasonable; identifies on-hand or firmly committed financial (including in-kind) support from the applicant, community, and other funding sources; includes contingency funds.
- Evidence of how the completed project will benefit the community and, for construction grants, evidence of community collaboration in planning and development of the project so that it will serve as a community resource.
- Operating Budget discussion identifies potential cost increases and/or decreases because of completing the proposed project; identifies reliable, committed sources of income, financial support from the community and provides evidence of financial capacity to operate the facility after project completion, including annual fundraising activities. The applicant must provide documentation to show that funds have been designated to maintain this project and that an Escrow Account or designated funds account has been established to make necessary safety repairs and improvements throughout the reversionary period.
- Response to standardized applicant review questions.

Possess knowledge of the SCDOA's mission and its policies and procedures.

EVALUATION

PIP Proposals will be reviewed by the SCDOA PIP coordinator, PIP panelists and the SCDOA Director. In addition to an evaluation, the SCDOA PIP Coordinator and PIP panelists will meet with the applicant before a final decision is made.

NOTE: The **Project Plan Package** that follows in **Appendix A** is to be prepared and submitted after a Grant Application is approved and a Notice of Award is received by the PIP Applicant. The Senior Center and Facility Standards included in the package will be helpful during the Grant Application process. **Appendix B (page 53)** provides an overview of the entire PIP process.

APPENDIX A: PROJECT PLAN PACKAGE FOR GRANT AGREEMENT

PROJECT PLAN CONTENT AND FORMS

The project plan package for initiating a grant agreement must include:

1. Project Plan Narrative (Form C-1)
2. Estimated Project Costs (Form C-2)
3. Proposed Sources of Funding (Form C-3)
4. Certification of Match (Form C-4). **(All local match funding must be on-hand when PIP application/proposal is submitted to the SCDOA).** When documenting its match, the grant recipient must provide a bank statement showing there is a designated funds account and board minutes reflecting that a match has been met. Acceptable match may consist of any of the following:
 - a. Real property: PIP Recipients who hold title to real property can use as match the full market value of the land specifically being used as the site (Foot Print) for the project, based on an approved appraisal conducted by a state certified appraiser, with the condition that this match be allowed only for new construction or major expansion projects on that land, and not for internal renovations or improvements. **Also, any real property that has been previously constructed renovated or improved by the use of PIP funds cannot be used as match.** (“Real Property” is defined as any land, all things growing or attached thereto, and all improvements made thereto including building structures.)
 - b. Cash on-hand supported by appropriate bank statements. If funds are being provided by another entity, a letter of commitment and/or a copy of the minutes from the meeting when funding was approved are sufficient for documentation.
 - c. In-kind: documented by a statement that describes how the value of in-kind donations and contributions were determined (including financial/bank statements and board minutes).
5. Memorandum of Assurances - PIP Applicant (Form C-5)
6. Memorandum of Assurances and Recommendation - Area Agency (Form C-6)
7. **If county owned**, a letter of commitment from the county building inspector’s office, stating that the county building inspector will be involved in development of the project, that they will review drawings/plans, and ensure compliance with all applicable codes and regulations.
8. Completed W-9 form (taxpayer identification number) from the PIP recipient.

SUBMISSION OF PROJECT PLAN

PIP RECIPIENT. After the initial Notice of Award, the PIP Recipient shall undertake the planning measures necessary to initiate and implement the project. A project plan shall be prepared using the forms provided in Appendix C and submitted to the PIP coordinator for review. All projects must ensure compliance with all applicable state and local building codes and regulations. All land prep work should be completed before the PIP Grant Application is submitted to SCDOA. **No PIP funds can be used to pay for environmental, engineering, or architectural work.**

The **PIP Coordinator** will provide technical assistance upon request from the PIP recipient. The coordinator must verify the availability of local matching funds and accuracy of C-Forms. A grant agreement will be initiated within 30 days of receiving a complete approved project package **if sufficient funds are available**. If funds are unavailable, the PIP recipient will be notified of the estimated time of funding availability.

PROJECT IMPLEMENTATION

The following guidelines apply only to projects of \$50,000 or more in PIP funds. For all projects of less than \$50,000, SCDOA shall issue specific guidelines on a case-by-case basis.

PIP RECIPIENT. PIP Recipients/Grantees are not required to follow the South Carolina Consolidated Procurement Code. Governmental entities must comply with the procurement assurances established by their local or county government. Non-profit Recipients/Grantees must comply with procurement guidelines established by their boards of directors. Grantees must demonstrate that there is not a conflict of interested when procuring construction contractors, or in the day-to-day execution of the project.

SCDOA. The SCDOA PIP Coordinator is responsible for overseeing the project implementation process, including the approval of all relevant documents submitted to SCDOA. If concerns arise regarding the project's progress, the SCDOA PIP Coordinator will document them and share them with the AAA and PIP recipient, requiring a written response addressing those concerns within a specified timeframe.

CASH FLOW MANAGEMENT AND CONSTRUCTION PROGRESS PAYMENTS

PIP RECIPIENT.

- No invoices will be paid until the PIP Recipient submits all required C-Forms to the SCDOA, an NGA has been signed, and the project is at 50 percent completion.
- After an NGA has been signed and the project is at 50 percent completion, the PIP Recipient will request payment by submitting invoices received from the contractor(s) to the SCDOA at PSAHelp@aging.sc.gov.
- The PIP Recipient/Grantee must keep copies of the invoices and provide the SCDOA copies when requesting payment.
- The final payment, of not less than ten (10) percent of the grant award, will be released to the PIP Recipient only when the work was performed in accordance with the project plan, or as amended, and that all documentation and reports were submitted as required.

Note: S.C. Law 29-6-50 permits a contractor to assess interest in the amount of 1 percent per month on the unpaid disputed amount of a pay request not paid within twenty-one (21) calendar days of receipt by the owner. These penalties shall not be paid out of PIP funds.

PIP INVOICES AND PAYMENT REQUESTS

The Department on Aging has protocols in place to ensure accuracy and to protect the integrity of Permanent Improvement Project (PIP) funds.

The Senior Center Grant PIP coordinator will review and approve requests for payment for the PIP recipient expeditiously. He/she shall authorize the payment of the grant award only when satisfied that the work was performed in accordance with the project plan, or as amended, and that all documentation and reports were submitted as required. The SCDOA will make a final inspection of the site. The SCDOA may assess penalties due to non-compliance with the requirements of this grant program up to the remaining amount of the grant award.

To obtain reimbursement of PIP funds, the PIP recipient must submit invoices to the SCDOA for examination and approval at invoice@aging.sc.gov. The SCDOA will review the invoices to ensure accuracy and confirm that the work has been completed. The PIP coordinator will recommend payment if all requirements are met or ask for additional documentation if the requirements are not met.

NOTE: The SCDOA shall not start reimbursing the PIP recipient until it is fully demonstrated through documentation that at least 50 percent of the project is completed. The balance of the allocated award will be paid once the recipient documents the completion of the project.

MULTIPLE FUNDING SOURCES

SCDOA recognizes the difficulties that may result from coordinating multiple funding sources in a project, each with its own rules and regulations to follow. Accordingly, a PIP Recipient may apply in writing to SCDOA for a waiver of certain program guidelines. All waivers will be approved by the SCDOA, and final approval will be granted solely at the discretion of the SCDOA. Requests must include documentation that adequate oversight of the project will be maintained, a description of the potential impact that may result if the waiver is not granted, and any other information deemed necessary by SCDOA in considering this request. **A waiver of State Reversionary Interest will not be considered.**

REPORTING SCHEDULE

PROGRESS REPORTS. Starting from the date of the Notification of Grant Award, written progress reports are to be submitted to the PIP Coordinator at quarterly (3 month) intervals throughout the entire project period. The progress reports are due by March 15, June 15, September 15, and December 15. These reports include: 1) Major activities and accomplishments 2) Any deviations or departures from the original project plan 3) Discussion of any significant problems encountered or anticipated, and 4) Any other remarks or comments of note. Upon completion of the project, the PIP Recipient must submit a final report within 30 calendar days.

FINAL REPORT. The final report includes:

1. A signed statement by the PIP Recipient that the facility will comply with the State Reversionary Interest in Multipurpose Senior Centers.
2. Five different “before” and “after” pictures of the facility; and
3. Completed Final Report (Form C-7).
4. The following two forms **may** be required (SCDOA will make the request for C-8 and C-9 in writing only if needed):
 - Certification of Procurement for A/E Services (required if Architectural/Engineering services are budgeted)
 - Certification of Procurement for Construction Services (required if more than \$50,000 is received in PIP funds)

AAA. The final report must include a signed statement by the AAA director stating that the project is complete.

SCDOA. The Grant PIP Coordinator will review all submitted reports and monitor the status of all open projects. If the PIP Coordinator finds any discrepancies or questions raised, he/she shall communicate those concerns to the PIP recipient. Upon receiving and approving the final report, the PIP Coordinator will authorize final payment to the PIP Recipient and formally close out the project.

RETENTION OF FILES

PIP Recipients/Grantees are required to retain copies of all transactions regarding the project. The Project’s Sponsor must permit SCDOA staff to examine and/or copy any records concerning the PIP project and these records must be retained for a minimum of three years after the project is completed.

STATE REVERSIONARY INTEREST IN SENIOR CENTERS

1. **General:** When State Funds are used for alteration, construction and renovation of senior centers, there remains a reversionary interest. The reversionary interest entitles the State to recovery of funds if the owner ceases to be a public or non-profit organization or the center ceases to be used to provide services to the aging community or no longer meets the standards of a senior center.
2. **Recovery of Funds- Construction:** State reversionary interest remains for 20 years if the PIP funds (\$100,000 and over) are used to construct the facility. Substantial alterations that double the square footage of the original facility are considered new construction. The recovery amount is equivalent to the percentage of the facility’s current market value that matches the percentage of state funds contributed to its original cost.

NOTE: PIP recipients awarded \$100,000 or more shall have a reversionary period of 20 years.

3. **Recovery of Funds-Minor Alterations and Renovations:** There remains a state reversionary

interest when funds are used for the purpose of minor renovations to a facility; when modifications are made to an existing facility that are necessary for cost-effective use as a Senior Center, including restoration, repair, some expansion, and all related physical improvements. If a facility is owned by the recipient/Grantee of funds for minor alteration or renovation for use as a Senior Center, the recipient must assure the SCDOA by a signed agreement that the facility will continue to be used for the periods stated below. The agreement shall also stipulate that the State shall be entitled to recover from the recipient a prorated amount of the total granted for each year or portion thereof that the facility is not available during the period stated in the agreement:

- a. A facility funded at \$50,000 to \$99,999: the reversionary agreement shall be for at least 10 years duration.**
- b. A facility funded at less than \$50,000: the reversionary agreement period must be for at least five years duration.**

NOTE: When the facility to be altered or renovated is leased, a copy of a fully executed property lease, with sufficient term to provide benefits consistent with the amount and duration of interest stated above, shall be submitted before work commences. The lease must be revocable only by mutual consent and shall contain the stipulation that the state shall be entitled to recover from the owner a pro-rated amount of the grant award for the period the facility is not available during the period stated in the lease.

SENIOR CENTER FACILITY AND PROGRAM STANDARDS

Note: The following standards shall apply to all projects funded by the Senior Center Permanent Improvement Program.

- The facility shall be designed, constructed and/or maintained in compliance with all applicable federal, state, and local building codes and operational regulations including the Americans with Disabilities Act, fire and safety codes, and the South Carolina Department of Public Health (DPH) sanitation and licensing standards.
- Lighting, furnishings, equipment, and floor surfaces shall be suitable for accommodating older adults, conducive to prevention of falls, and easy to use by the participants.
- Heating, Ventilation and Air Conditioning (HVAC) systems shall be designed to provide a comfortable environment to accommodate the variety of activities planned for each part of the building.
- Appropriate placement and installation of smoke alarms, fire extinguishers, sprinkler systems, etc., shall be a part of the overall design as required by current building codes.
- Access to all areas of the facility shall be assured by placement of ramps, bars, and guide rails, etc. in appropriate locations and installed according to current codes of ADA compliant.
- All storage spaces shall be appropriate for the types of materials and equipment stored and shall be separate from the areas used for program activities.
- Materials and supplies shall be stored in a safe manner that reduces the risk of injuries, accidents, falls, etc.
- Maintenance and housekeeping shall be carried out on a regular schedule, and without interfering with scheduled programs.
- Plans for evacuation of the facility, in case of fire or other emergency, shall be posted in large print at prominent locations throughout the building and drills shall be conducted regularly.
- Interior space shall be designed to provide enclosed areas of various sizes to allow for individual, small group, and large group activities.
- Interior design shall provide adequate space for private conversation, one-on-one consultation, and similar activities between staff and participants.

- Offices within the senior center shall be in areas that do not interfere with activities carried out for/by seniors yet are easily accessible to seniors.
- No more than 25 percent of the total square footage in the senior center shall be assigned to office space. The SCDOA reserves the right to recover a percent of the PIP funds if it has been determined the funds were used to build office space exceeding 25 percent of the total square footage of the center.
- The agency shall offer a wide variety of programs, activities, and services:
- The agency shall provide regularly scheduled social activities, educational programs, wellness programs, etc. (It must be a facility that meets the *National Council on Aging's* definition of a senior center which is as follows: ***“A senior center is a community focal point that offers a variety of services and activities for older adults. To meet the definition, a senior center must engage in cooperative community planning, establish cooperative service delivery systems, provide information and referral services, and connect older adults to community resources. The center should also educate the community, public officials, other professionals, and students about the diverse needs and experiences of our aging community. It should be a place where older adults can gather to enhance their dignity, support their independence, and encourage their involvement in and with the center.”***
 - There shall be health promotion activities offered on a regular basis.
 - Physical fitness activities shall be accessible to participants daily.
 - There shall be a variety of recreational, cultural, and creative arts programs offered at least three times a week.
- The agency shall assure appropriate access to senior center facilities:
 - Senior centers will operate Monday through Friday, except for scheduled holidays and emergencies at least six hours per day. Senior centers should adhere to the National Council on Aging's senior center guidelines when feasible.
 - Regular hours of operation and phone number(s) shall be provided in all promotional materials about the senior center and on any signage outside the center.
 - Written policies related to night and weekend operation at the center shall be developed and receive formal, documented approval by the Board of Directors.
 - The phone number(s) of the senior center shall be listed in online directories and search engines under the heading SENIOR CENTER.
 - Signage shall be of appropriate size and color and shall be installed in a prominent location. (The center must meet all necessary requirements, procedures, and guidelines for signage as required by the SCDOA for normal aging related programming and services.)
 - Parking areas for the senior center shall be well lighted, conveniently located, with any specialty parking well marked.
 - An adequate number of accessible parking spaces shall be provided as directed by law.

APPENDIX B: OVERVIEW OF THE GRANT PROCESS

1. PIP grant application proposal, one electronic copy (email) must be received by SCDOA by close of business Tuesday, June 30, 2026.
2. The PIP Coordinator and PIP Panelists thoroughly examine the applications submitted to determine their compliance with established application requirements and agency policy and procedures.
3. Applicant meetings are scheduled in the months of July and August with SCDOA PIP Coordinator and PIP panelists to discuss applications, committed project funds, agency finances, project details, and the long-term sustainability of the senior center. A standardize list of questions is asked of all applicants during each visit. Each visit follows a uniformed process.
4. After the applicant meetings are concluded, the PIP Coordinator and PIP panelists will conduct a final review of the applications. The PIP Coordinator will brief SCDOA Director who will approve grant recipients.
5. If approved, the PIP Recipient/Grantee will receive an Award Notice approving the initial Grant Application Request. At this point, the project becomes approved, but not yet funded.
6. The PIP Recipient/Grantee must submit a completed Project Plan package to the SCDOA within 30 days. In addition to a detailed description of the proposed project and budget, the Project Plan Package must include:
 - a. PIP Recipient's/Grantee's Memorandum of Assurances (C-5 and C-6)
 - b. Certification of Match Funds (When documenting its match, the grant recipient must provide a bank statement showing there is a designated funds account and board minutes reflecting that a match has been met.)
7. After review and approval, the grantee forwards the Project Plan Package to the SCDOA Senior Center PIP Coordinator, adding the following:
 - a. Cover letter requesting that SCDOA initiate a Grant Agreement for the PIP project.
 - b. Completed W-9 form (taxpayer identification)
8. Upon approval of the Project Plan Package, SCDOA will:
 - a. Initiate a Grant Agreement within 30 days, **if sufficient funds are available at that time**, or
 - b. Advise the grantee as to the approximate date when sufficient PIP funds will be available. The grantee may request funds for the project. After the Grant Agreement is signed, the applicant has 90 days to begin construction.
9. PIP Recipients/Grantees are expected to provide quarterly project updates, using the standardized template found on Page 53.
10. The PIP Recipient/Grantee requests funds, as needed, for project expenditures. The SCDOA shall not start reimbursing the PIP recipient until it is fully demonstrated through documentation that at least 50 percent of the project is completed. The balance of the allocated award will be paid once the recipient documents completion of the project.
11. Final Report submitted. Completed Final Report (Form C-7).
12. The following two forms **may** be required (SCDOA will make the request for C-8 and C-9 in writing only if needed):
 - a. Certification of Procurement for A/E Services (required if Architectural/Engineering services are budgeted)
 - b. Certification of Procurement for Construction Services (required if more than \$50,000 is received in PIP funds)
