

Support the LTC Ombudsman Relocation Initiative

Our Mission

The Long-Term Care (LTC) Ombudsman Program advocates for residents in long-term care facilities across South Carolina. When facilities close unexpectedly, residents often face urgent relocation needs. We step in to ensure their transition is safe, dignified, and supported.

How Your Donation Helps

Each resident receives a **Relocation Bag** filled with essentials to ease their move:

-  Toiletries
-  Undergarments
-  Comfortable sweatsuit

The cost to provide one complete bag is **\$250**, but **any amount helps**. Your contribution ensures no resident faces relocation alone or unprepared.
